The screenshot shows a window titled "Open an Account" with a subtitle "Trade real or virtual money and gain experience". It contains three radio button options. The first option, "Open a demo account to trade virtual money without risk", is selected. Below it is a descriptive paragraph. The second option is "Open a real account for live trading", also with a descriptive paragraph. The third option is "Connect with an existing trade account", which includes input fields for "Login:", "Password:", and a "Server:" dropdown menu. A blue callout box points to the "Login:" and "Password:" fields with the text "1. Input ID and Pass". Another blue callout box points to the "Next >" button with the text "2. Click Next> to log in". At the bottom right are three buttons: "< Back", "Next >", and "Cancel".

Trade real or virtual money and gain experience

☒ Open a demo account to trade virtual money without risk
A demo account allows you to learn trading on stock exchanges and test your strategies. While doing that, you do not risk anything as you use pure virtual money.

☐ Open a real account for live trading
A real account requires additional proof of identity. You will need to provide copies of identification documents.

☐ Connect with an existing trade account

The screenshot displays a trading platform interface. On the left, a 'Market Watch' window lists various currency pairs with their current bid and ask prices. The 'Order' window is open in the center, showing the 'Symbol' as 'XAUUSD, Gold, Gold Spot (1 LOT = 100oz)' and the 'Type' as 'Market Execution'. The 'Volume' is set to 5.00. The 'Stop Loss' and 'Take Profit' fields are both set to 0.00. The 'Fill policy' is 'Fill or Kill'. The 'Comment' field is empty. Below the 'Order' window, the price '1 328.88 / 1 329.02' is displayed. At the bottom, there are buttons for 'Sell by Market' and 'Buy by Market'. The background shows multiple price charts for XAUUSD, including a daily chart and an M15 chart.
